The Primary Logo is the preferred logo option and should be used on all items of print and digital media, wherever possible.

The Logo should be placed in the top right-hand corner wherever possible. There is a minimum exclusion zone around the Logo for positioning of supplementary elements. This is applied in most cases. However, where the Logo is used on its own (e.g., exhibition panels, stickers etc) the exclusion area need not apply.
OUTLINE LOGO

The Outline Logo is a simplified version of the Primary Logo. This is for use on single colour items of print or where a full colour Logo is not suitable. The minimum exclusion zone still applies.

The Outline Logo can be used for Social Media, Favicons, Window stickers and Product packaging. It can also be used sparingly as a watermark on the page as a tint (as shown on this document).
SHIELD LOGO

The Shield Logo is a special simplified version of the Primary Logo with the outer circle elements removed. This should be used sparingly and reserved for items such as business cards, letterheads, and other stationery.
ALUMNI LOGO

The Alumni Logo is only to be used on items of print and digital media where relevant to Alumni of St Columba’s College. It should NOT be used in any other situation.

APPAREL LOGO

The Apparel Logo is a logo which has been specifically designed to be used on optional clothing; for example House Hoodies. It should NOT be used on any other items.
THE CURVE

The Curve is a flexible device which can be used as an additional graphic element on a variety of items such as signage, banners, leaflets and brochures. The Curve is primarily used in the top right hand corner, but to aid creativity, is intended to be a flexible device, with no set dimensions or arcs.

ELLYSIUM HOUSE

Please report to Reception
The Primary font for headings is Montserrat Bold (available from Adobe Fonts). This should be used for Main Headings and Signage primarily as upper case. Montserrat Regular is used for Body Text in either upper case or upper and lower case.
SECONDARY FONT

The Secondary font for sub-headings is Le Monde Livre Italic (available from Adobe Fonts). Occasionally, on special items (such as Invitations) Le Monde Livre Bold can be used for headings.
The Alternative font is Arial and should only be used when Montserrat is unavailable - such as Email, Powerpoint presentations etc. Use Bold for headings and Regular for body text.
COLOURS

There are six primary colours in the St Columba’s palette. For print items, please use either the CMYK or Pantone colours where appropriate. RGB colours should be used for digital and online items.
