Stevenson Uniform Custom Orders: For information, if you are looking for a slight alternation to a uniform item sold by Stevenson, please note they offer a Custom Order service.

For example, if you wish to order a skirt but would like a longer length, this is the information they have given:

There is no extra cost to parents for using our custom order process, however the item does become non-returnable once placed, so we just ask parents to be sure they are ordering the correct size and lengths. Majority of the time we advised sizing after we have seen the skirt tried on, so we would continue to advise parents to visit the store and try skirts on, to be able to gage should a custom size or length need to be ordered.
